2017 CATALOG

What is your passion, the motivation factor which drives you?

We at H2X believe our performance drinkware supports all active lifestyle needs and equips you for any adventure!

Durable, portable, functional and stylish Ultra Collection is made of kitchen-grade 18/8 stainless steel with double-wall, vacuum insulated construction to minimize condensation and maximize heat and cold retention. Our well thought out accessories are designed to enhance the user experience ... so you can focus on your passion, not on the product!

Non-toxic, non-leaching and BPA FREE.

Please never hesitate to let us know how we can assist you! Call one of our sales representatives at 877.233.7287, email us at sales@drinkH2X.com or visit our website at www.drinkH2X.com.

Like us on Facebook at www.facebook.com/Hydration2theXtreme, and follow us on Twitter @h2xhydration, Pinterest at pinterest.com/h2xmedia54, and Instagram www.instagram.com/h2xhydration.

*Products are inspected, labeled and assembled in a 200,000 square-foot warehouse in Wisconsin. The majority of drinkware decorating is done in the United States, primarily at our state-of-the-art facility in Toledo, Ohio. Our products are environmentally friendly, and we support sustainability. Our glassware is Prop 65 compliant and 100% recyclable. Corrugated and chipboard packaging is made from recycled paper and is fully recyclable. All plastic drinkware and storage containers are BPA-free and fully recyclable. Tritan™ is a trademark of Eastman Chemical Company. All products are fully FDA compliant and are Prop 65 compliant tested.
